THE FLAG.

The raising of the flag over the high school building yesterday was more than a passing event. It was intended to teach, and did teach a lesson of more than ordinary importance. In olden times the flag was an incident of our nationality. It was so little thought of that it was long after the spirit of liberty had been kindled and was burning before one was formally adopted. It was secondary then. Now it is first. Its importance as an emblem has grown with the progress of the country. Only a few years ago it was seldom seen; and then upon great occasions. As remarked by a speaker yesterday, there are possibly more flags in the possession of the McClure High School today and its patrons than there were in the state of Oregon in 1861.

Where only a few years ago on state occasions an occasional flag was unfurled, today on such events the public and private buildings are adorned with them and every moving thing bears a flag. Where a few years ago our flag was an ordinary object in the foreign ports of the world, creating but passing notice, today it stands out to the world as an object of admiration, and is revered and honored by every civilized nation of the world. As stated by a speaker yesterday, of all the incidents of the recent visit to this country by Prince Henry, the most important one and the most impressive one, was while on his visit at West Point when he beheld "Old Glory" floating upon the calm zephyrs from her flagstaff, he removed his cap and saluted the American flag with reverence. It showed how it is regarded by other nations.

We have a right to unfurl it

The dizziness and faintness from which women suffer may be due to one of several causes. But the most common cause is disease of the delicate womanly organism. The story of Mrs. Brown, told in her letter below, gives a fair example of the conditions under which so many women work: "I had a sick headache nearly all the time, and so much around my waist could hardly bear anything to touch me. I would work a little while and then lie down a while." Falling to obtain more than temporary relief from her doctor's treatment, Mrs. Brown began the use of Dr. Pierce's Favorite Prescription, with the usual result—a complete cure.

Dr. Pierce's Favorite Prescription is the best medicine for the cure of diseases peculiar to women. It establishes regularity, dries offensive drains, heals inflammation and ulceration and cures female weakness. It makes weak women strong, sick women well.

"A few years ago I suffered severely with female weakness and had at times dreadful pains," writes Mrs. Mary V. Brown, of Creswell, Harford Co., Maryland. "I went to my doctor, and he gave me medicine which did me good for a while, but I would get worse again. I had a sick headache nearly all the time; was so weak around my waist could hardly bear anything to touch me. My feet would keep cold and I could hardly do my work. I would work a while and then lie down a while; was completely run down. Suffered from disagreeable discharges and also severe pains at times. After using five bottles of Dr. Pierce's Favorite Prescription, three of his 'Golden Medical Discovery' and one of his 'Pleasant Pellets', and following the advice you gave regarding the 'Lotion Tablets', I can truly say that I am cured. The doctor said it was uterine disease I had."

Dr. Pierce's Common Sense Medical Adviser, in paper covers, is sent free on receipt of 31 one-cent stamps to pay expense of mailing only, or if cloth-bound volume is desired send 31 stamps. Address Dr. R. V. Pierce, Buffalo, N. Y.

SCHOOLGIRLS KNOW ITS WORTH.

Paine's Celery Compound

Gives Them Energy, Snap and Full Life.

It Enables them to Attain the Blessing and Vigor of True Womanhood.

Women and girls in every station of life who have used Paine's Celery Compound know that it is a blessing that sick and run-down females cannot afford to be without.

Modjeska, the peerless queen of artists, voices the sentiments of thousands of women and girls who have tested the strength making and life giving virtues of Paine's Celery Compound when she says: "I have found Paine's Celery Compound the best of all remedies for the nervous exhaustion consequent upon the arduous work of my profession." Overworked women in the home, and weak, languid school girls have found in Paine's Celery Compound the health and vigor it so strongly guarantees.

Ida Mallory, of Allenville, Ill., with the view of benefitting young girls, writes as follows: "I was taken last spring with what the doctors called nervous disease and neuralgia, and three or four doctors treated me all last summer without doing me any good. My father started to travel with me and in our travels a friend told me to try a bottle of Paine's Celery Compound. My father bought a bottle of it, and it helped me so I took two bottles more which entirely cured me. My father has been taking Paine's Celery Compound and says it has done him five hundred dollars' worth of good. We are using the fourth bottle in our family, and we consider Paine's Celery Compound worth its weight in gold for nervous and other troubles."

with pride. It is the beacon of freedom. It is the refuge of the oppressed from all climes. To live under the stars and stripes is the ambition of citizens of every nation. In whatever country or clime one may be cast he is proud to claim its protection. Only a piece of cloth containing stars and stripes, it bears a priceless value. It is the emblem of liberty and freedom and this is the greatest earthly possession of mortal beings. To impress its importance upon the growing generation was the object of yesterday's exercises. The teachers went about it in the proper manner. That every pupil should have an interest in the flag a subscription was taken up among them. They all contributed their mites. They feel that they own a part of it, and after it had been proudly unfurled over the school building they were conducted to an elevation near by and every one joined in a great salute and a hip, hip, hurrah for the American flag, the flag of the free, and the flag of every school child in Astoria. They all join in the chorus, "Long may it wave."

Senator Spooner says, "In my opinion a subsidy is a gift." True; and the worst of it is the gifters are mostly not of the cheerful sort whom the Lord loveth.

A man can do easily, under the stress of an overpowering conviction, what before would have seemed like a miracle to him.

DANGER OF PNEUMONIA.

A cold at this time if neglected is liable to cause pneumonia which is so often fatal, and even when the patient has recovered the lungs are weakened, making them peculiarly susceptible to the development of consumption. Foley's Honey and Tar will stop the cough, heal and strengthen the lungs and prevent pneumonia. Hart's drug store.

SEND IT TO YOUR FRIENDS.

The subscription price of the Semi-Weekly Astorian has been reduced from two dollars to only ONE DOLLAR A YEAR. You could not purchase a more valuable gift for a dollar than a year's subscription to the Astorian with which to please people who are acquainted with Astoria or Clatsop county, or with which to interest those who are not acquainted.

SURGEON'S KNIFE NOT NEEDED.

Surgery is no longer necessary to cure piles. De Witt's Witch Head Salve cures such cases at once, removing the necessity for painful and expensive operations. For scalds, cuts, burns, wounds, bruises, sores and skin diseases it is unequalled. Beware of counterfeits.—Charles Rogers druggist.

Many a man falls in life not because he lacks ability, or enthusiasm, or a general desire to get on in the world, but because he lacks steadfastness of purpose.

LOCKJAW FROM CORNBES

Cornbes put on a cut lately gave a woman lockjaw. Millions know that the best thing to put on a cut is Bucklen's Arnica Salve, the infallible healer of Wounds, Ulcers, Sores, Skin Eruptions, Burns, Scalds and Piles. It cures or no pay. Only 25c at Hart's Drug Store.

If the British would drive their Missouri mules into battle backwards there would be different reports from South Africa. In range and accuracy of heel fire the Missouri mule has no equal.

COUGH SETTLED ON HER LUNGS.

"My daughter had a terrible cough which settled on her lungs," says N. Jackson, of Danville, Ill. "We tried a great many remedies without relief, until we gave her Foley's Honey and Tar which cured her." Refuse substitutes. Hart's drugstore.

The American people will never surrender the privilege of criticizing their public servants and the sooner the latter recognize his fact the better it will be for them.

RAW OR INFLAMED LUNGS.

Yield rapidly to the wonderful curative and healing qualities of Foley's Honey and Tar. It prevents pneumonia and consumption from a hard cold settled on the lungs.—Hart's drug store.

The whiskey pellet, which will enable a man to carry his drinks in his vest pocket, as he does his cigs, promises to add new perplexities to the enforcement of prohibition.

WOULD SMASH THE CLUB.

If members of the "Hay Fever Association" would use Dr. King's New Discovery for Consumption, the club would go to pieces, for it always cures this malady—and Asthma, the kind that baffles the doctors—it wholly drives from the system. Thousands of once-hopeless sufferers from consumption, Pneumonia, Bronchitis owe their lives and health to it. It conquers Grip, saves little ones from Croup and Whooping Cough and is positively guaranteed for all Throat and Lung troubles. 50c, \$1.00. Trial bottles free at Hart's Drug Store.

This is the season when the woman who hesitates whether to invest her capital in her Easter offering or her Easter bonnet is lost in the abyss of the millinery shop.

FO THE COMPLEXION.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. De Witt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took De Witt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never grip or distress. Safe, thorough and gentle. The very best pills made. CHAS. ROGERS.

PNEUMONIA FOLLOWS A COLD.

But never follows the use of Foley's Honey and Tar. It stops the cough, heals and strengthens the lungs and affords perfect security from an attack of pneumonia. Refuse substitutes. Hart's drug store.

A SEVERE COLD FOR THREE MONTHS.

The following letter from A. J. Nussbaum, of Batesville, Ind., tells its own story. "I suffered for three months with a severe cold. A druggist prepared me some medicine, and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar, and eight doses cured me." Refuse substitutes. Hart's drugstore.

COULD NOT BREATHE.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and liquefies the mucus, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One minute cough Cure will do all that is claimed for it," says Justice of the Peace J. Q. Hood Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family."—Charles Rogers.

PRACTICALLY STARVING.

"After using a few bottles of Kodol Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate insurance and loan agent, of Macomb, Ill. "Before using Kodol Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief." You don't have to diet. Eat any good food you want, but don't overload the stomach. Kodol Dyspepsia Cure will always digest it for you.—Charles Rogers.
